

4.50 Drifter

For the best of both worlds! The 4.50 Drifter is suitable for both inshore and offshore boating and fishing. Available in Frontrunner, Runabout, Centre Console, Side Console and Open models, this is the boat that will make every day on the water a day to remember. Whether you are out fishing or just enjoying a relaxing day on the water with family and friends there is a 4.50 Drifter model that will meet your needs. The 4.50 Drifter offers the stability normally associated with much larger boats, while at the same time retaining the benefits of being easy to tow and maintain. With generous storage under the split front hatch, as well as in the two huge rear storage bins, this boat is built for the fisherman and boater who likes to keep a tidy deck.

Open Boat

The 4.50 Drifter Open is extremely popular due to its clean, open and uncluttered deck, its soft quiet ride and all round boating capabilities. The 4.50 Drifter Open can be towed by a conventional four cylinder car and is easily launched and retrieved by one person. The deep V entry of the hull makes it suitable for a wide range of fishing and boating applications - from dams and estuaries right through to the more open bays and inshore reefs.

Side Console

The 4.50 Drifter Side Console is a brilliantly laid out boat for the hardcore fisherman. If you want the benefit of steering from a seated helm position, while at the same time retaining a large amount of useable floor space, then the brilliant 4.50 Drifter Side Console is the answer.

The 4.50 Drifter Side Console is a brilliantly laid out boat for the hardcore fisherman. If you want the benefit of steering from a seated helm position, while at the same time retaining a large amount of useable floor space, then the brilliant 4.50 Drifter Side Console is the answer.

The driver is positioned in the rear starboard corner, behind a console unit which provides protection from the elements and also great visibility.

The console unit can be used to mount electronics, such as sounders and engine gauges, and also has built in dry storage facilities.

The 4.50 Drifter Side Console comes in eight great colours and is a real catch for those keen on their angling.

With generous storage under the split front hatch, as well as in the two huge rear storage bins, this boat is built for the fisherman and boater who likes to keep a tidy deck.

Frontrunner

The 4.50 Drifter Frontrunner is set to become one of the most popular models in the 4.50 Drifter range due to its versatility for both fishing and family boating.

The 4.50 Drifter Frontrunner is set to become one of the most popular models in the 4.50 Drifter range due to its versatility for both fishing and family boating.

The dual console units provide protection from the elements for the driver and passenger, as well as for any dash mounted electronics.

Two upholstered swivel seats located behind the consoles provide comfortable seating, with extra storage in the pedestal units for tackle and other items.

An optional pair of ski hooks allows for the use of tubes and wakeboards for those fun days on the water with family and friends.

The front casting deck is accessed by the walkway between the twin consoles, and also allows easy access to the anchor well.

The 4.50 Drifter Frontrunners' layout also provides ample room in the back of the boat for fishing, and includes extra passenger seating located in each corner on the rear storage units.
