

## 4.80 Brumby

The brilliant all-rounder. From family boating to hardcore fishing, the 480 Brumby has it covered.

### Centre Console

The 4.80 Brumby Rear Centre Console has built a huge reputation as a premier fishing craft in the short time it has been available on the market.

•

The 4.80 Brumby Rear Centre Console has a large open forward deck space and is the choice for those who are serious about their sport of fishing.

The console is situated in the central aft section of the boat, where the fold down rear lounge provides seating for the driver and crew. The rear fold down lounge can be either folded away when not in use or utilized as a rear casting deck.

If a full height front casting deck is required then the optional front lounge and front casting deck insert is available.

Stainless steel bow and hand rails are standard, as is the 70 litre underfloor fuel tank for extended trips.

The 4.80 Brumby Rear Centre Console has good looks and versatility, but it's the awesome on water performance that has to be experienced to be believed.

#### Survey Standard

Length:	408.00m
Length (boat/motor/trailer):	6.60m
Height on trailer:	2.50m
Beam:	2.15m
Depth:	1.01m
Weight:	540kg
Shaft Length:	20 inches
HP Rating:	80
Capacity:	5 People (375kg)

## Side Console

The 4.80 Brumby Side Console is the ideal layout for the hardcore fisherman. The boat can be driven either in the standing or seated position (optional seat and pedestal is required). The Side Console itself has an appealing rounded design, built-in storage facilities and a user-friendly dash layout for electronics and gauges. A 70 litre underfloor fuel tank provides more options for the offshore fisherman and is easily re-fuelled via the gunwale mounted fuel filler.

## Frontrunner

The 4.80 Brumby Frontrunner offers all the benefits of a bow rider, and is an excellent choice for the family and weekend boater.

- 

-

The front lounge which comes standard with this boat provides for seating and storage in the bow and can also be easily converted into to a large forward casting deck by the addition of the optional front casting deck insert.

Two consoles located mid ships for driver and passenger provide protection from the elements. The boat features comfortable upholstered seating positions.

The dash layout provides easy access and viewing of all electronics and gauges, while the consoles themselves contain large storage facilities.

More seating is located aft via the rear fold down lounge, and a recessed storage area is located in the internal transom wall for storage of larger items such as life jackets and batteries.

Stainless steel bow and hand rails are standard.

A 70-litre underfloor fuel tank is also included as standard for those extended trips. An easy access fuel filling position is located on the wide gunwale for trouble free refuelling.

The main attraction of the 4.80 Brumby Frontrunner is not its good looks and versatility, but rather it's awesome on water performance. Like all the other boats in the range, the soft and quiet ride has to be experienced to be believed.
